An update from Mr Bennett...

Our Year 6 and Year 2 children have been working hard this term on their SATs and Year 1 on their phonics. We are very proud of them. We tell them that, if they have worked hard and tried their best, they should be pleased with their achievement, whatever the result.

We are beginning to think about our end of year trips, graduations, our sports day and summer fete so do keep an eye out for texts and emails with more details.

Parents' Meetings & Annual Reports

Parents meetings have taken place and teachers have been busy writing the children's annual reports, which you should receive shortly.

Jubilee Day

Just before the half term break, our children celebrated the Queen's Platinum Jubilee with activities and parties and a special Jubilee lunch (see photos below).

A team of St Paul's pupils enjoyed a Tri-golf tournament.

Getting Back to 'Normality' with class assemblies

With all covid restrictions lifted, we are finally returning to normal school life.

After Easter, we began whole school assemblies for the first time in two years. This half term we have a programme of class assemblies to which you are invited:

Year 2 on	30 th June	Year 4 on	7 th July

And the Year 6 Graduation & Presentation on 19th July.

We hope you will be able to join us.

Final Thought

Jubilee: did you know?

The word 'Jubilee' comes from the ancient Hebrew, 'yobhel', which means ram's horn. Every 50 years, slaves would be emancipated, and lands restored to their owners. This would be signalled by the sounding of a ram's horn. Until recently, Jubilee still meant 50th anniversary in English, but now refers to significant occasions 25, 50, 60 years etc.

Supporting Year 6 Children's Transition To Secondary School

Calling all Year 6 Parents!

St Paul's will be hosting a coffee morning for Year 6 parents to discuss supporting children's emotional wellbeing around their move to Secondary School.

This will be a chance to hear ideas and tips around managing themes such as anxiety and confidence during this time. The session will be held by the Place2Be Family Practitioner, Place2Be School Counsellor and Class Teacher. It will also be a great opportunity to meet with other parents and share ideas and thoughts around these changes.

Would be great to see you there!

Final Thought

“You must live life beautifully and not allow the spirit of the world that makes gods out of power, riches, and pleasure make you forget that you have been created for greater things: to love and to be loved.”
