Deadly floods in Bangladesh (from the BBC)

Bangladesh: Deadly floods leave millions displaced

Millions of people in Bangladesh have had to flee their homes after heavy rainfall triggered flooding, which has killed at least 32 people.

Around 300,000 people have been moved to shelters but more than four million people are stranded near their homes, which are inundated with floodwater in the country's north-east region.

Bangladesh PM Sheikh Hasina visited flood-hit areas by helicopter, meeting local authorities and formulating plans to provide humanitarian aid for those in need.

Bangladesh Aid Appeal

Bake for Bangladesh – begins Monday 11th July

Our popular bake sales will resume next week. We will be selling a selection of cakes, pastries and chocolate to help raise money for Bangladesh. Look out for tasty treats. They're sure to go fast!

Wear Green & Red – Friday 15th July

We will also have a 'Wear Green and Red' day on Friday 15th July where we are asking children and staff to wear something green and something red, to show their support for Bangladesh. Please contribute whatever you can.

All proceeds will go to the Bangladesh Flood Appeal.

School Choir's Trip to Oxford

The choir had an amazing trip to Oxford with Tom Daggett. The children got to spend time at Oxford University and sing with the Christ Church Cathedral choir. Such an incredible experience!

It is great to have our class assemblies back. Year 3 presented an assembly on Frida Kahlo and Year 2 showed what they have learnt about schools in Victorian times!

Always lovely learning going on at school. It's great to have our outdoor space for our reading sessions (Y6) and some creative shape drawings by our Reception class.

Final Thought

"For me, forgiveness and compassion are always linked: how do we hold people accountable for wrongdoing and yet at the same time remain in touch with their humanity enough to believe in their capacity to be transformed?"
