

Maths

We will be looking at addition and subtraction using the 'Part-Whole' model. They will also use mathematical language to solve problems. They will learn to count forwards and backwards from a given number to 100 and beyond and count in steps of 2, 5 and 10. They will continue to explore the fact families (number bonds) to 10.

English

In literacy we will be focusing on Traditional Tales. We will be exploring the story 'Little Red Riding hood'. The children will learn about what makes a good story and retelling them as well as writing a character description of the wolf.

Topic- Our School

Big Question: What is special about our school?

The children will explore their local area by creating and following maps. They will use geographic and historical vocabulary to describe their surroundings, including the school, and discuss how the area has changed over time.

Religious Education (Christianity)

Big Question: Why is each person important in the Nativity story?

PHSE: Celebrating Difference

The children will get to know their new environment. The children will be learning about how we are all different.

Children will be able to:

- Tell you some ways they are the same as their friends.
- Tell you some ways in which they are different to their friends.
- How to be kind to children.

Music

The class will be singing songs with the Music Teacher and learn to play the African drums. They will learn about rhythm.

Physical Education - Gymnastics

Our PE day will be every Friday. Please ensure that your child has a PE Kit, (white t-shirt, shorts or joggers, sensible running shoes).

Science- Celebrations

In science, we will explore the concepts of light and dark. The children will investigate the physical properties of different everyday materials and discover various light sources. They will also learn how shadows are formed and will use scientific vocabulary to describe and explain their findings.

Computing

We will be learning to log on and use Purple Mash. The children will learn about collecting data and interpreting pictograms.

Cooking and Nutrition (CaN) - Tuesdays!

We will be cooking what is in season and rustling up dishes in addition to challenging ourselves to use up store cupboard staples. The children will be learning cutting, peeling and odd hygiene.

Partnership with Parents

Maths: Please help your child to complete maths homework on **Purple Mash**. You should have your child's log in details.

Reading. Children are expected to read every night for at least 20 minutes. Don't forget to write a comment in your child's Reading Record book when you have read with them. Books will be changed on Tuesdays and Fridays. We would like all bookbags to be in school every day. Thank you!

Homework: Homework will be set on **Purple Mash** every week. It is expected to be completed by all the children. **Times Table Rock stars** should be accessed by children to learn the 2,5,10 times tables only. Please support your child to practice them 4-5 times a week. Any problems? Please let us know!
