

Numeracy

This term in Numeracy we're focusing on data handling (graphs), ratio and proportion, word problems and investigations - as well as preparing for the SATs

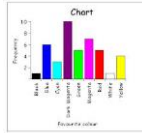

Outcomes: Children will be able to:

Use all four operations to answer multi-step word problems.

Interpret and create different charts (including bar charts, line graphs and pie charts)

Find the mean, mode, median and range of a set of data.

Solve an investigation by working systematically and collaboratively.

Literacy

This term in Literacy, after focusing initially on the SATS tests, we will be starting a new guided reading book 'The London Eye Mystery'. We will be focusing on journalistic writing, narrative writing and writing in different registers.

Outcomes: Children will be able to:

Write newspaper articles

Write engaging short stories

Use further precision in their word choices

Vary sentence types to engage and interest the reader

Develop use of grammar, punctuation and grammar

Topic Curriculum

This half-term we will be completing our unit 'London as a Tourist':

In **Geography** we'll be finding out:

- About tourist attractions in our local area
- How maps can give us tourist information
- About tourism and its impact on regions, countries and cultures

In **History**, we'll be finding out:

- About the history of our local area

We will also be finding out:

- What makes a 'good' global traveller
- Why people want to visit other places and countries

Science

In science this half-term, This topic builds on the Year 4 work on electricity, taking it into the scientific use of symbols for components in a circuit as well as considering the effect in more detail of changing components in a circuit.

Year 6 – London as a Tourist

PHSE - Relationships

Children will be thinking about how to develop and maintain healthy relationships with their friends and within their family. They will consider the role they play in thinking about other people's feelings.

Religious Education:

Does belief in Akhirah (life after death) help Muslims lead good lives?
We will study the Islamic concept of the afterlife and how it affects the way the Muslims live.

Physical Education - Gymnastics & Hockey

In hockey, children will continue to develop control, passing and shooting skills as well as further develop game tactics.

PE kits needed on Tuesdays and Wednesdays (please bring kit on Monday)

Computing

To learn about how to use a blog and create one.

Music

Year 6 continue their Thursday drumming session and have singing assembly every Wednesday with Mr Tom Daggett.

Parents

How you can help

SATS practice - keeping brains busy like a muscle, using revision guides regularly.

Homework: Children will receive SATs preparation homework during the first few weeks and over the weekend.

Topic Work -
